

Remarks/Arguments

Based on further review and consideration, the foregoing amendments have been made to the claims in this application to put them in better condition for allowance.

Claim 28 has been amended to refer back to a single claim (claim 1) instead of multiple claims. Claim 35 has been amended to refer back to claim 11 instead of 12 for better agreement between these claims. Additional amendments were made to claim 35: “a” to correct an omission, “orientations” for agreement grammatical, and respectively to clarify applicant’s intent

New claims 45-56 have been added to present alternative aspects of the invention.

Applicant respectfully submits that claims 1-56 are in condition for allowance. Applicant respectfully requests examination of these claims on the merits and favorable action.

Respectfully submitted,

Date: June 30, 2009
